

MEng (Master of Engineering) Plan of Study (POS)

PLEASE READ INSTRUCTIONS BEFORE PROCESSING AND SUBMITTING THE PLAN OF STUDY

List all courses, seminar, and research/project credit hours required for your degree (MEng). The POS form allows for electronic signatures to be collected from the student, faculty advisor, and committee members. To make changes to the POS, complete a Request for Plan of Study Changes form. To make changes to your Committee a Change of Committee/Advisor form is required. Submit both forms to your ECE Graduate Program Advisor for approval by the ECE department.
