If applicable, out-of-state tuition waivers (UF Differential) will be applied to your student account after your appointment is entered in Banner, you meet the earnings criteria, and you have registered for the semester. More information is available at <https://graduateschool.vt.edu/funding/types-of-funding/assistantships.html>. Note that you have the option to enroll in the **Graduate Comprehensive Fee Payment Plan** rather than having to pay the full amount of your comprehensive fees at once. Enrollment is possible after you have registered for classes and your department has entered your tuition remission award. **(You need to either pay the full amount of your comprehensive fees & CFEF or enroll in the payment plan by your tuition payment deadline in order to avoid a late fee on your student account.)** The payment plan is available during the Fall and Spring semesters at no cost, with a **new application required each semester**. You can access the application at <https://www.bursar.vt.edu/payments/pay-graduate-comprehensive-fees.html>.
